

Media Opt Out Form

State law allows for the release of student directory information, which is information that is generally not considered harmful or an invasion of privacy if released, to parties outside the school district unless the adult student, parent, legal guardian, or guardian ad litem issues a written exception. Directory data means those records that include student's name; address; telephone listing; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; grade level; photographs; degrees, honors and awards received; date and place of birth; and the name of the most recent educational agency or institution attended. Parent email may also be provided for institutions to contact parents if necessary.

In addition, federal law requires that educational agencies provide military recruiters with names, addresses, and telephone numbers of students unless parents opt out of the public, nonconsensual disclosure of directory information.

If parents/guardians do not want all or part of any directory data for their child to be released without their prior consent, please complete this form. There are several different areas where this request could be made. **Please check any or all of the areas you would like to withhold the release of directory data for your child.**
